COURSE	GRADE	EXAM	SEM

My intentions for 2022

- To return to school and aim for university studies
- To return to school and aim for TAFE, apprenticeship/traineeship or work
- I will not be returning to Irene McCormack Catholic College in 2022

COURSE SELECTIONS

- Students must select a Religion and Life and English course and four other courses including a WACE List B course.
- A Mathematics course is highly recommended for all students who have met the minimum requirement. Students who have not met the numeracy requirement for WACE must select a Mathematics course.
- Students who wish to gain an ATAR and use this ATAR to gain direct access to university must select a minimum of four ATAR courses in Year 11.
- Students may select less than four ATAR courses. Students will still have to sit the ATAR examinations in Year 12 for these courses in order for them to be used for WACE requirements.
- A maximum of two VET Certificate courses may be selected.
- Number courses 1 – 6 in preference with a 7th preference included in case one of the initial selections is not available.
- Students select 6 courses.
- Out of school VET programs at TAFE and private training organisations are separate applications additional to these selected courses.
