My intentions for 2022

- To return to school and aim for university studies
- To return to school and aim for TAFE, apprenticeship or traineeship
- I will not be returning to Irene McCormack Catholic College in 2022

COURSE SELECTIONS

- Students must select a Religion and Life and English course and four other courses including a WACE List B course.
- Students who have not met the numeracy requirement for OLN must select a Mathematics course. A Mathematics course is highly recommended for all students who have met the minimum requirement.
- Students who wish to gain an ATAR and use this ATAR to gain direct access to university must select a minimum of four ATAR courses in Year 12.
- Students may select less than four ATAR courses. Students will still have to sit the ATAR examinations in Year 12 for these courses in order for them to be used for WACE requirements.
- A maximum of two VET Certificate courses may be selected.
- Number courses 1 – 6 in preference with a 7th preference included in case one of the initial selections is not available.
- Students select 6 courses.
