## Covid-19 Update 3<sup>rd</sup>-7<sup>th</sup> May

As you may well be aware, Premier Mark McGowan advised that there are refinements to Covid-19 requirements published on Friday.

In brief all students are required to wear masks indoors and outdoors at school this week.

Anyone who has been at an exposure site is required to go for Covid-19 testing and complete 14 days of self-quarantine, regardless of the result. The Department of Health website [Locations visited by confirmed COVID-19 cases \(healthywa.wa.gov.au\)](https://www.health.wa.gov.au/locations-visited-by-confirmed-covid-19-cases) has been updated with new exposure sites.

We are advised by the Department of Health that students should not attend school if unwell, and should stay home and be tested.

If you have any queries, please contact your son or daughter's respective Assistant Deputy Principal or myself.

Thank you for your support with these requirements in consideration for the health all in our community.

With best wishes

**Mr Robert Marshall**  
Principal
