

# Application for Student SmartRider

For use by Primary students/Secondary students attending participating schools

Effective: May 2023

## Who should complete this form?

- ✓ Primary Students
- ✓ Secondary Students  
(attending participating schools)

This form is for use by Irene McCormack Catholic College students which is a participating school. That is, a school which has elected to distribute Student SmartRiders to their students. Please refer to your school administration. This form should be completed for both the initial issue of a Student SmartRider and any replacements

## Why do I need one?

If you do not present a Student SmartRider you cannot receive the student fare.

## How to apply

As IMCC is a participating school, students are unable to order Student SmartRider cards online

1. The applicant must complete every section on the application form and sign the Student Declaration.
2. The applicant's parent or legal guardian must sign the Parent/Guardian Declaration
3. The application must be handed to Administration at Irene McCormack Catholic College and a fee of \$7 paid

**3a. NOTE:** new year 7 students are exempt from the initial \$7 application fee for the initial card, but will need to pay this fee for all subsequent replacement SmartRider cards ordered

4. The Student SmartRider card will be ordered and students can collect from the Library once email notification has been received.

## Conditions of application

The Student SmartRider is issued subject to the conditions of the Public Transport Authority Act 2003 and the Public Transport Authority Regulations 2003 and conditions of travel determined by Transperth from time to time.

A Student SmartRider may only be used by the student to whom it is issued. A Student SmartRider is not transferable. It is the applicant's responsibility to ensure that they meet the eligibility requirements for the issue of a Student SmartRider.

The replacement of a Student SmartRider will incur a **\$7.00** card replacement fee.

The information on this form will be recorded by the Public Transport Authority and used to verify the student's ongoing eligibility for the Student SmartRider with the nominated school or college.

By validating your SmartRider, utilising the student fare entitlement, you (i.e. a secondary school student) will be agreeing to the following conditions:

1. You are not entitled to a seat on a Transperth train, bus or ferry, but rather may sit where a seat is not otherwise occupied or is not required by an adult at any time during your journey.
2. You are to produce your SmartRider to a PTA security officer of authorised person (both as defined in the Public Transport Authority Act 2003), upon demand, for checking.
3. You are to stand for an adult passenger on a Transperth train, bus or ferry when no other seating is available and you are requested by a PTA security officer or authorised person to do so. In respect to a train, "available" means available in that train carriage.
4. Travel utilising the student fare is not authorised if, during the 30 days before time of travel (calculated as per condition 5 below), you have been reported by a security officer of authorised person to have failed to stand for an adult when no other seating is available. During the 30 day period, your Student SmartRider will deduct fares for journeys you undertake, at the standard concession rate.
5. The 30 day period starts seven days after you have been reported as described in condition 4 above, and expired 30 days after that start date.
